Dear supporter of Grace Melodia,

Peace be with you! By the grace of our Lord, Grace Melodia Toronto will be going on a short-term mission (STM) to New York and New Jersey from Apr 25, 2018 to Apr 30, 2018. Our team will be sharing the love of Jesus Christ through the musical performance, 「未完的故事」 "The Unending Story". It has always been our team's conviction to partner with local churches in proclaiming the gospel of Jesus Christ via artistic and creative means, and thus, we feel humbled and excited to receive the honour in serving across the border.

The Lord has been preparing us for this mission since Fall 2016. Back then, a few brothers and sisters from New York attended one of our local events in Toronto, and were touched by our evangelistic passion and message. Through a year-long of prayer and discernment, the Lord has affirmed our missional calling through the invitations from various New York and New Jersey churches. These partnering churches see that the Unending Story is an effective medium to proclaim the gospel to seekers, while at the same time a powerful devotional program that can ignite the hearts of Christ followers.

Below is our short-term mission itinerary:

Apr 25, 2018 (Wednesday)	Travelling down to New York
Apr 26, 2018 (Thursday)	Setup and rehearsal with the local team at Oversea Chinese Mission
Apr 27, 2018 (Friday)	Unending Story #1 at Oversea Chinese Mission
Apr 28, 2018 (Saturday)	Unending Story #2 at Staten Island Chinese Christian Church
Apr 29, 2018 (Sunday)	Leading praise and worship and Unending Story #3 at Rutgers Community Christian Church
Apr 30, 2018 (Monday)	Travelling back to Toronto

Evangelism is a spiritual warfare. We are deeply convinced that only through the power of the Father, Son and Holy Spirit can our efforts deliver spiritual significance and reach the seeking souls. If possible, may we invite you to be one of our prayer warriors throughout the week of Apr 22-30, 2018? Below is a list of prayer items:

- Please remember the ones who thirst to seek Jesus Christ, and those who needs to be comforted, healed and revived by the Lord.
- Please pray for the physical, mental and spiritual strength for our mission team of twenty-three people.
